CHAUFFEUR SERVICE

Your professional personal driver and a bodyguard at same time will secure your safety, comfort and convenience. Your chauffeur provides complete travel service all around the Czech republic ranging from 12 hours to a few days.

TRANSFER SERVICE

Our drivers will pick you up at the airport, train and bus stations, hotels and from other places safely and comfortably. Likewise we deliver you from the Spa resort Tree of Life anywhere according to your wishes and requests.

RENT A CAR

- › Rent a car after landing at the airport immediately. The car will be available for your whole stay until your departure and hand on back at the airport.
- › Do you want travel or do you need a car at your disposal during your stay? With pleasure we delivery a car directly in front of hotel.
- › We offer arranging different types of cars with manual and automatic transmissions.

- Please contact our sales department for more information and order. -
